The Institute

Gyani Inder Singh Institute of Professional Studies (GISIPS) is managed by professionals and academicians from India and abroad. The Institute is dedicated to the pursuit of excellence in higher education, inculcating human values, personality traits and all round development of the youth. GISIPS students have shown remarkable results in university and board examinations.

The meritorious faculty from academics and industry, the unparalleled discipline and quick acting administration make this Institute incomparable and dignified against other Institutions of Uttarakhand.
